This agenda contains all items to come before the Board except those items of an emergency nature.

Established in 1971, the Ethanol Board assists ethanol producers with programs and strategies for marketing ethanol and related co-products. The Board supports organizations and policies that advocate the increased use of ethanol fuels – and administers public information, education and ethanol research projects. The Board also assists companies and organizations in the development of ethanol production facilities in Nebraska. For more information, please visit www.ne-ethanol.org.
