Nebraska Ethanol National Open races October 1-2

Ethanol-powered cars & E85 discounts featured during weekend racing events

The Nebraska Ethanol Board is co-sponsoring racing events this weekend at [the Kearney Raceway Park](#) in Kearney, including quarter-mile drag races with cars powered by E85.

As part of this weekend's events, two Bosselman's Pump & Pantry locations in Kearney will offer an 85 cent per-gallon discount on E85 and a free 32 oz. soft drink with a minimum 10 gallon purchase of E85. This special deal is good only on Sunday, October 2 from noon to 6 pm at the Pump & Pantry at 4311 N 2nd Avenue, and the Pump & Pantry at 1212 E 56th Street.

E85 is a blend of up to 85% ethanol with gasoline and can be used in Flex Fuel Vehicles. Visit the Nebraska Ethanol Board online for a [list of E85 stations in Nebraska](#).

Saturday's events include Test and Tune & NHRA Qualifying starting at 10 am, and Super Shootout & ST/SS Combo races beginning at 3pm.

Sunday's events begin at 9 am with Time Trials & NHRA qualifying. Eliminations begin at 1 pm.

Starting times for races are subject to change due to weather. Check the Kearney Raceway Park website at www.krpi.com for entry and admission details. [Download the flier here](#) for more on the races.

Established in 1971, the Ethanol Board assists ethanol producers with programs and strategies for marketing ethanol and related co-products. The Board supports organizations and policies that advocate the increased use of ethanol fuels – and administers public information, education and ethanol research projects. The Board also assists companies and organizations in the development of ethanol production facilities in Nebraska. For more information, please visit www.ne-ethanol.org.
